# P370 SPITFIRE

Power Actuated Disc Cartridge Tool

# SPIT P370 SPITFIRE

The fully automatic Spitfire P370 Disc Cartridge Tool is the professional's choice for cartridge nailing

Suitable for use in steel and concrete applications

## Features & Benefits:

**Automatic piston return**  
High install rate with low user fatigue

**Magazine or single shot tool**  
Automatic firing of up to 10 pins using the magazine

**Disc system**  
All-metal cartridges eliminate warping at high temperatures. Sequential disc system means less load wastage

**Power adjustment**  
Versatile: one pin and one load can be adapted to fix into different base materials

**High power**  
Multi-purpose suitable for use in concrete or steel

**Sequential shot**  
Safety: tool needs to be actuated with 17kg of pressure to generate a shot

**Energy absorbing bumper**  
Absorbs vibration & reduces recoil during firing

**Adjustable magazine**  
4 adjustable positions give greater flexibility when working in confined spaces

**Easy maintenance**  
The fastest powder tool to dismantle, clean and put back together allowing on site maintenance and reduced down time
